## Call 1-800-977-6740, MaineCare Member Services

- for help finding a dentist.
- to learn more about covered dental services.
- to find out if a service needs pre-authorization. Dentures for example need your provider to get authorization from MaineCare before it will be covered.

*\*Since July 1, 2022, MaineCare will cover comprehensive, preventive, diagnostic and restorative dental services for members aged 21 and over thanks to [LD 996](#), "An Act To Improve Dental Health Access for Maine Children and Adults with Low Incomes".*
